

The Love of God

The love of God has been extended to a fallen race,
through Christ the savior of all men,
there's hope in saving grace

the Love of God is greater far,
than gold or silver ever could afford,
it reaches past the highest star
and covers all the world!

His power is eternal, eternal,
His glory is supernal, supernal!
When all this earth shall pass away,
there'll always be the Love of God!

It goes beneath the deepest stain
that sin could ever leave,
redeeming souls to live again,
who will, on Christ believe - will believe!

Oh, the love of God is greater far,
than gold or silver, ever could afford,
it reaches past the highest star,
and covers all the world!

His power is eternal...eternal!
His glory is supernal...supernal!
When all this earth shall pass away,
there'll always be, the Love Of God!...precious love of God!
